# MME 2.0 update

- The WG3 discussed the proposed changes for MME 2.0 in Milano together with the comments coming from Canada and US
- The results of the ballot were presented and discussed in the MME-TaskForce:

US002: Peter will update the document with the proposed change

US003: Peter will create a short document of 'essential changes' from Version 1.x to Version 2 and post it on the MME-Forum;  
after 2-3 weeks for comments this document will be send to the WG3

US004: Peter will update the document with the proposed change

- The documents you will find here:
